## Our products

### SUGALYTE - Zero Calorie Sugar free Sweetener

Ideal for diabetics and weight conscious and suitable for cooking, baking or regular use (Sucralose is world's largest selling sugar free sweetener today).

- Sucralose minitabs in one by one dispenser where one minitab is equal to one teaspoon of sugar and easy to use and control!
- Sucralose sachets wherein one sachet delivers sweetness equal to one teaspoon of sugar without the calories!
- Sucralose granulated powder in container - Ideal for cooking, baking and one can use a fraction of the sugar and get 10 times equivalent sweetness without calories and guilt!

### Sunlyte

Ideal product for Heat Stress and Heat Exhaustion

World Health Organisation (WHO) recommended low osmolarity formula Oral rehydration therapy (ORT) to combat Heat Stress and heat exhaustion that has fatal consequences and leads to a life imbalance and Sunlyte puts it on track!

Available as 21.8 gm sachet to be used in 1000 ml of water. Also available as 218 gm sachet to be used in 10 litre water during the day or as 4.4 gm sachet to be used in a 200 ml glass of water and beat the HEAT STRESS with excellent orange taste!

### COLDOFEN

HERBAL GRANULES

Relief from

- Sore Throat
- Cough, Cold & Flu

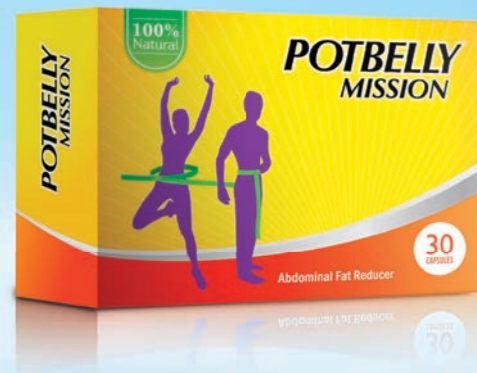

**V-Klean**

**Vaginal Wash Solution**

Maintaining the acidic protective layer in a women's intimate area prevents itching, irritation, bad odor and vaginal discomfort, keeping her cool and fresh. "Vklean" Intimate solution with milk extracts and lactic acid in an enticing feminine perfume helps achieve this.

**Potbelly Mission**

**Abdominal Fat Reducer**

A Big waistline means a big risk to health by way of Heart disease, Diabetes, High Blood pressure and stroke, and Potbelly Mission Capsules help you cut down this Pot belly effectively in a natural way!

Belly fat doesn't just lay idle at your beltline. Researchers describe it as an active "organ" in your body - one that churns out hormones and inflammatory substances.

Abdominal fat is thought to break down easily into fatty acids, which flow directly into the liver and into muscle," When these excess fatty acids drain into the liver, they trigger a chain reaction of changes -- increasing the production of LDL 'bad' cholesterol and triglycerides. During this time insulin can also become less effective in controlling blood sugar, so insulin resistance sets in.

**CLOZORB**

CLOTRIMAZOLE Dusting Powder  
Antifungal, Antibacterial, 50 gms

Composition:

- Clotrimazole BP 1% w/w

Dilcrest

Isosorbide mononitrate belongs to a group of drugs called nitrates. It dilates (widens) blood vessels, making it easier for blood to flow through them and easier for the heart to pump.

Isosorbide mononitrate is used to prevent angina attacks (chest pain). Isosorbide mononitrate will not treat an angina attack that has already begun.

List of Topicals

**Cremoheal**

Antiseptic Herbal Healing Cream for the treatment of slow Healing wound, superficial topical wound. Healing process in cuts, burns & ulcers for Diabetic wound healing.

**RELSIL**

Relsil is used for Heartburn, Peptic Ulcer Gastroesophageal Reflux Disease & other conditions.

It works by neutralizing the acids released in the stomach by relaxing the muscles & nerves during stress. It also acts to prevent, control & improve from the above diseases.

**BURPZBABY**

It is used for infants, babies & children to relieve them from infantile colic, discomfort caused due to gas, indigestion acidity & also it is helpful during teething problem.

**Clarovera**

Clarovera contains a unique combination of colloidal oatmeal & aloe vera. Oatmeal offers natural moisturizing, smoothing effect & prevents from flaky or dry skin. Aloe vera has softening healing & soothing effect on skin along with anti-microbial and anti-itching effects. Clarovera deeply nourishes skin and makes it soft and supple. Clarovera is pH balanced, dye free, hypoallergenic and ideal moisturization for dry skin disorders.
